This architectural section drawing illustrates a building's internal structure and its relationship with the surrounding environment. The building features a prominent red-tiled roof and a series of internal spaces, including a large open area with a staircase. The drawing is oriented vertically, with the building's facade on the left and the interior on the right. The surrounding landscape includes green trees and a road at the bottom. The drawing is labeled 'del A' and 'del B'.

Structural floor plan of a building with four bays, labeled HE 140 B at the top. The plan shows a grid of columns and beams. The columns are labeled R/S 120x80x5.0 and the beams are labeled S/S 100x5.0. The plan includes various annotations and details:

- Columns:** R/S 120x80x5.0 (Right Side, 120x80x5.0)
- Beams:** S/S 100x5.0 (Side Side, 100x5.0)
- Annotations:**
 - Red lines indicating structural details or reinforcement.
 - Blue lines indicating structural details or reinforcement.
 - Red text: "Refuerzo para conectar a la az" (Reinforcement for connection to the az).
 - Red text: "Ref. 10x5" (Reference 10x5).
- Dimensions:** 120x80x5.0 (Column dimensions), 100x5.0 (Beam dimensions).
